

1. Please download and read the Site Guide Example.
2. Download the Site Guide Submission Form.
3. Enter as much information about the site as possible as it takes much longer to publish these valuable guides on our site when the information we receive is incomplete.
4. At a minimum, please include information for
 - a. Site Name
 - b. City, County, and State
 - c. Description
 - d. Specialty Species
 - e. Where to Bird
5. Remember to include your name and blog or website URL if you would like it to be included when we post the guide.
6. Submit the site guide by uploading it using the form found here <http://nuttybirder.com/Wheretobird/submissionform.html>.

NuttyBirder.com reserves the right to edit or change the submitted information prior to publishing on our site. By submitting a site guide, you give NuttyBirder.com the authorization to change the guide in any way we see fit and to publish the site guide on the Website with no restrictions.
